INSTRUCTION BOOKLET

From Steven Spielberg and EA comes *BOOM BLOX™ Bash Party*, the follow-up to the original groundbreaking bloxbuster! Intuitive controls make *BOOM BLOX Bash Party* fun for anyone to pick up and play. Grab, throw, and sling your way through more than 400 explosive levels! Get started by training with the game's Blox and Tools. Wreak havoc in Solo mode, or put the smash down in Versus and Co-op matches. Download community levels from within the game as you play. Create and share by remixing any level you have beaten, or build entirely new levels of your own!

GAMEPLAY CONTROLS

ACTION	CONTROL
Target or grab block	Point the Wii Remote at a block and hold down the A Button.
Throw	While holding A Button, swing Wii Remote forward. Release A Button to throw.
Sling	Grab a block by pressing and holding A Button, pull the Wii Remote back and line up your shot. Release A Button to release the block.
Cannon	Grab the Cannon by pressing and holding A Button, aim at a target and then release the A Button to fire.
Push/Pull	Grab a block by pressing and holding A Button. Then move the Wii Remote to carefully pull or push the block in any direction. Release A Button to release the block.
Move camera	Press and hold B Button and move the Wii Remote.
Move camera	Control Stick on Nunchuk (rotate in Explore mode only)

NOTE: For Create mode controls, please see the Create mode section.

For the best **BOOM BLOX Bash Party** experience:

Extensive testing has shown that *BOOM BLOX Bash Party* works best when your Wii Remote pointer is set to Sensitivity Level 3 or higher. If you experience unpredictable pointer movement, please confirm your Wii Remote pointer sensitivity setting.

To confirm or adjust your setting, go to the Wii Options main menu and select **Wii SYSTEM SETTINGS SCREEN 2**. From there, select **SENSOR BAR** to access the Sensitivity screen and make sure that it's set to 3 or higher.

GET THE PARTY STARTED!

BOOM BLOX Bash Party challenges your brain and your aim in dozens of ways. Each set of challenges you beat unlocks new opportunities for mayhem, including:

THROW

Bombard towering Blox with a devastating variety of throws!

SLING

Grab Blox bands and stretch them as far as you can in any direction.

GRAB

Steady your hand to push or pull the right Blox from teetering structures without toppling them.

To begin playing, start the game and click a character to set up your save game profile. You can have up to six different profiles saved at any time. To switch profiles, just exit out to the main menu and press the + Button to access the Select Profiles screen.

CLASSIC BLOX

BOOM BLOX Bash Party features many of the Classic Blox from the original game, including:

NORMAL BLOX

Your basic building Blox—they stack, they topple, they roll. Available in natural wood and an assortment of colors!

IMMOBILE BLOX

These indestructible Blox stand up to the toughest punishment. They can't be moved—even by the strongest throws or explosions!

GEM BLOX

These sparkling blue Blox are often in high places, just waiting to be knocked down. Watch them sparkle as they smash to the ground!

BOMB BLOX

Bust one of these booming red Blox and watch nearby Bomb Blox get blasted. They cause chain reactions with Fireworks, too!

CHEMICAL BLOX

When two or more of these green Blox touch each other, they explode!

VANISH BLOX

Hit one of these purple Blox and poof, it's gone, leaving a void to be filled by surrounding Blox. Often seen separating volatile Chemical Blox!

NEW BLOX

BOOM BLOX Bash Party also introduces a host of new Blox to help you on your way, including the following:

BOOM BUX

Earn Boom Bux in Solo mode by finding and busting hidden Bux Blox and winning medals. Spend your Bux on characters and toys in Create mode, or buy levels you just can't way to play!

CHANGE BLOX

Like a slot machine, Change Blox rapidly cycle through different values. Point, Bomb, Vanish, or Chemical—hit them when it best suits your strategy!

VIRUS BLOX

When these Blox explode, they infect any other Blox they touch, setting off a devastating chain reaction! Or use the Virus Ball to activate Virus Blox and spread their infection.

NEW TOYS

BOOM BLOX Bash Party also introduces a host of new toys to help you create maximum destruction, including the following:

SLINGSHOT

Sling Blox and characters like crazy! Simply grab a block or character, pull the Wii Remote back and release. Zing!

CANNON

Use the cannon to blast Blox and characters. Bring the cannon into your own level for maximum destruction.

AWARDS AND ACHIEVEMENTS

As you play *BOOM BLOX Bash Party*, you earn presents—new levels and new items to play with in Create mode! You can also look up your Achievements in the Awards screen (accessible from the main menu). Unlock them all to show the world you are a BOOM BLOX master!
